

Pre-Bid Queries and Replies

****Project:** Construction of a Two-Storey Community Health Centre** ****Tender Ref:** TSHC-2024-001**

Q1: Site access and possession

****Q:**** Will the site be handed over in one phase or in parts? ****A:**** The complete site will be handed over in one phase on 01 October 2024.

Q2: Mobilisation advance

****Q:**** Is any mobilisation advance payable and what is the recovery schedule? ****A:**** A mobilisation advance of 10% of the contract price is payable against a bank guarantee. Recovery shall be made by deducting 20% of each running bill until fully recovered.

Q3: Steel brand and testing

****Q:**** Are contractors allowed to use any ISI-marked steel brand or only those listed in the tender documents? ****A:**** Any ISI-marked steel brand equivalent to or superior to the specified grades is acceptable, subject to submission of mill test certificates and third-party test reports.

Q4: Price escalation

****Q:**** Clause 4 states a firm price. Does this apply to steel and cement also? ****A:**** Yes. The contract is on a firm-price basis and no escalation shall be allowed for steel, cement, or any other material.

Q5: Sub-contracting

****Q:**** Is sub-contracting of specialised works such as HVAC and lifts permitted? ****A:**** Sub-contracting is permitted with prior written approval of the Engineer-in-Charge. The Contractor shall remain fully responsible for the acts and defaults of any sub-contractor.

Q6: Defect liability period

****Q:**** Is the 24-month defect liability period negotiable? ****A:**** No. The Defects Liability Period of 24 months is mandatory and non-negotiable.
